Declaration of conformity with respect to the REACH Regulation (EG No. 1907/2006)

Dear Madam / Sir,

Thank you very much for your inquiry with respect to our conformity with the REACH Regulation.

As downstream users (i.e., as manufacturer of products), our company FEUERHERDT GmbH acts in accordance with European Union Regulation 1907/2006 (the REACH Regulation).

According to information provided to us by our suppliers, no substances from the latest Candidate List (the List of Substances of Very High Concern, or SVHC List) dated exist in the materials used by us in concentrations of more than 0.1 % by mass.

We are in continuous contact with our suppliers. As soon as we determine that our products require reporting in accordance with Article 33, we will inform you of this fact without being reminded to do so.

Owing to the many inquiries that we receive, some including detailed questionnaires, we cannot answer each inquiry in detail. As a result, we are using this form of declaration. We kindly ask your understanding of this situation.

Do not hesitate to contact us if you have any questions. Your contact partner is Mr. Stephan Goebel at: [s.goebel@feuerherdt.de](mailto:s.goebel@feuerherdt.de)

Yours sincerely,

FEUERHERDT GmbH
